Ward 7 - Grande Prairie East, Grovedale

Vision and Goals – Platform

Being born and raised in the Grovedale area, I am truly passionate and dedicated to PWPSD students and families. With 2 new schools in ward 7 on the capital plan it is important that the voice at the table has a good understanding of where we've come from and where we need to go. I can be that voice. As your representative I will be diligent in communicating information. I will also be

present and available. At the board table I will be firm in my stance about quality of transportation and the quality of education delivery. I will advocate for a variety of programs to enhance student experience and knowledge. I will use every opportunity to advocate on a provincial level for improved funding and resources. I have a strong voice for students and family's I am grateful for the opportunity I've had to be part of PWPSD and look forward to serving you in the future.

Community Involvement

My Husband, 2 Daughters and I live on an acreage in Grovedale where we enjoy county life to its fullest. We are very involved with the community.

I have been involved with the Grovedale Figure Skating Club for the past 12 years serving as the president for 6, it's a big job but I love seeing the kids out on the ice growing their skills.
