FREE TRANSPORTATION

PWPSD provides free transportation to students who qualify due to distance from their designated school. Before the first day of school, bus drivers call parents to provide the bus route number, along with pick-up and drop-off times.

Learn more and register for bussing at www.pwpsd.ca.

SCHOOL START-UP

Some schools begin the school year with a staggered entry - introducing small groups of Kindergarten students to the school on different days - while others choose to delay the start of Kindergarten until after older students have settled back into the school routine. In August, start-up dates and times are posted under the *Registration* tab on school websites.

WELLNESS AT PWPSD

Did you know that approximately 20% of people will develop a mental health disorder during their lifetime? 70% of these disorders can be diagnosed between the ages of 12 and 17. At Peace Wapiti Public School Division we have four dedicated teams that provide our students, families, and communities with programming and services to promote positive mental health.
